A TASTE OF VESTERYEAR

We hope this book may bring you
many happy moments by helping you
recall those you once knew so well
as schoolmates and as friends at Tech.
If these friends live more vividly in
your memory as a result of this record,
our purpose will have been accomplished.

This summer is the 40th since the Allies launched the greatest invasion in history, the assault across the English Channel to the beaches of Normandy. During the night of June 5, 1944 more than 1,000 ships sailed across the channel, taking with them nearly 200,000 soldiers and 20,000 vehicles for the dawn landing on June 6th.

914 Stars in Tech Service Flag

Of the 914 former Hammond Technical high school students who entered service in the current world conflict, four have fallen and they are represented by gold stars on the giant service banner now at the school. The banner was presented by Mrs. Fred Jenner, left, whose son, Ray Gubic, 18, is serving in the army. In the other group, left to right, are Mrs. Harriett Simpkins, whose son, Lester, 18, was killed in action while serving with the marines;

Mrs. Albert Black, whose son, Arthur, 28, was reported killed by the navy department, and Mrs. Ray Bitner, president of the Tech Parent-Teacher association. The two remaining gold stars in the center of the flag represent Conrad Kujawa, 21, son of Mr. and Mrs. John Kujawa, killed in action with the army, and Walter Tryka, 22, son of Mr. and Mrs. Martin Tryka, also killed in American army action.

STAMPS AND BONDS - This committee was made up of one person from each home room. With the sales of stamps and bonds from September thru December 1944, we purchased an amphibious "duck". The name of our school was painted on its side.

Sponsors - Miss Florence Lawler - Mr. Fred Hopper

CRAFTSMEN'S CLUB - Promoting and improving their ability along the lines of crafts was the purpose of this club.

TIGRUS CLUB - We formed this club in May 1943 in order to promote better sportsmanship in school affairs. Any major letterman is eligible.

STUDENT SAFETY COUNCIL - Members thru their attitude and effort curtailed accidents during the year. Membership included patrol boys.

GLEE CLUB - Composed of sixty-five members. Girls were selected for their skill in singing as well as their good personal qualities, and are dependent upon a years work in general chorus. Uniforms are brown skirts and gold blouses made by the girls themselves. Two concerts are held each year. They sing for commencement, for many organizations, and participate in the All-City Music Festival. Each year a Spring Tea is held for mothers and women faculty members.

This receipt must be presented to Teacher before opening of the recitation.

The announcement on March 2, 1943 that Coach Birkett was to be transferred made quite an impact on the student body. Over ninety% went out on strike - made speeches - marched to the administration building - made more speeches - and - received unsatisfactory excuses for the afternoon.

TECH NEWS LETTER

Vol I No. 1

1944

FLASH

From the boys from C.P. touring Tech. "Your shops are swell, but we agree that you sure need a new building".

The girls of Tech made a hit with these boys too. On very reliable authority it was reported to us that the passing bell was one of the things these boys liked best, for it paraded the girls before their admiring eyes.

OUR TEAM-Sherman Nichols

Our team has spent, this season, many a fair-weathered night. Playing ball on the football field, giving other teams a fight.

Most of the games were lost; it's simple to count those won, But the boys fought on until the end, until all games were done.

And what did all the other teams say, as they departed separate ways? "Those fellows from Tech put up a good fight and pulled some excellent plays".

And so the gang here at Tech, with radiant glory does beam, We're proud of our football squad and proud to say "OUR TEAM".

ADOLPH PERICAK won't be playing basketball with us this season because he has just been called into the service.

HOORAY FOR BASKETBALL

We have only one returning regular from last year, Kaczmarek and two subs, Patterson & Sudicky. The rest of the boys are all new, but will develop into a good team.

BENNY DORTON was chosen by his football team-mates as this year's most valuable player.

REGISTER BOOK-Mary Silay

The Red Cross Council

voted to have a servicemen's register put up near the office. If you see a soldier, sailor, or marine wandering around the halls please ask him to go to the office and sign the register.

HI-Y and GIRL RESERVES SOCIAL LIFE

Questions to G.R.'s Pat Smith, Gean Thomas, Anna Kurmis.

- Q. What do you think about necking?
A. With each kiss, you give a part of your finer self away and you start getting a reputation you don't want.
Q. Do you approve of going "steady"?
A. Yes-if you keep your promise.
No-you miss a lot of fun.

Questions to HI-Y's Dick Miller, Bob Samardick, Sherman Nichols.

- Q. What about girls wearing slacks?
A. O.K. for sports-definitely not for other public places.
Q. How long should it take to say "goodnight"?
A. Depends on the individual. The boys expect a girl to say she had a nice time.

LOST: ONE AMPHIBIAN-Katherine Bright Stamp & bond sales at Tech have increased steadily. We reached the \$2,000 mark in Sept. but failed to get the amphibian jeep by the last of October.

Can we rely on you students of Tech to help boost sales by spending your extra dimes & quarters to buy stamps & bonds? The national motto is, "BUY 'TIL IT HURTS" so can't we all stand a little more pinch?

THE SHIP THEY COULD NOT SINK

A Tiger ship set sail from port many a year ago
And on her maiden voyage, she had victory as her goal.
But many battles would be fought before that came to pass.
And many moons now have waned since her first battle clash.

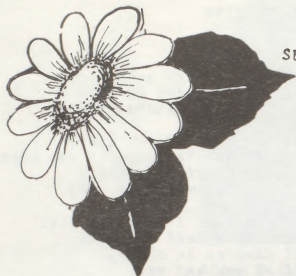

For many years that faithful ship sailed over stormy seas.
She tossed and rocked and many times was knocked down to her knees.
But never would that Tiger ship refuse to yield to shame.
For courage, spunk and effort were connected with her name.

But now that once proud Tiger ship is docked, I'm sad to see.
Her banners and her pennants will no longer sail the seas.
But her battles and her glories will live on in memory.
And forever will be cherished by all of you and me.

And so my friends, don't feel remorse now that it's come to pass.
Be proud and glad you knew her for her record of the past.
She'll always have a tender spot for us here in our hearts.
Though she is gone forever, we'll never be apart.

This yearbook has given us the opportunity to take a trip down memory lane. And what a trip it has been- looking at pictures yellow with age, recalling old friendships, and reliving events long since forgotten.

To all those who contributed in any way to the Chart, we are grateful. A special thank you to Mr. W. Simpson, principal of the Area Career Center of Hammond, and Mrs. C. Redden of Tech's memorabilia room for their willing cooperation.

Mr. A. Betustak-bindery instructor, and Mr. J. Meyer-printing instructor, both from the Area Career Center, deserve our sincere appreciation. The class of '44 had a dream. That the dream became a reality is directly attributed to their expertise, guidance, and enthusiasm.
